Introduction to the e-Learning Day

The D56 e-Learning Day experience has been designed to engage students in continued learning on days when the district is closed due to an emergency such as snow or cold. If you have any questions regarding Reading, Math, Science, or Social Studies, you may email me on the e-Learning day (aweiss@d56.org), or use [ClassDojo](#) app to message me.

If you have any questions in regards to the following subjects email the following teachers: Music Mr. Pawlak (bpawlak@d56.org), P.E. Mr. Sator (esator@d56.org) or Mr. Wojo (lwojciechowicz@d56.org), Art Mr. Fitzgerald (ffitzgerald@d56.org), Technology Mrs. Rehling (krehling@d56.org), library Ms. Isbell (eisbell@d56.org)

Parents, guardians, or babysitters will be asked to sign off on the e-Learning board. The e-Learning day is intended to last 5 hours (300 minutes) and the log should reflect that in order for the student's attendance to count. This will need to be turned into the teacher after completion of the eLearning day for attendance credit. Otherwise your student will be marked absent for the day.

Please complete the mandatory yellow boxes on the eLearning board. After that, continue activities as you choose from the blue boxes, until you have done 5 hours of work. Please write in how many minutes spent on each activity in the same box and initial completion.

Please fill in the following:

Student name _____

eLearning date _____

Guardian name _____

Guardian signature _____

Student teacher name _____
